## Membership Connection Guide

Byrd Spring Aquatic Association (BSAA) is a private, member-owned pool. BSAA is not just a place where we swim for a few months out of the year during the summer. Our pool is a place where our neighborhood connects and engages as a larger community. Many kids have grown up together and many families have built memories all around this little pool sitting in the middle of our neighborhood. Volunteers are what make our BSAA private pool membership successful. The only paid staff are the lifeguards. We want to know your skills and interests so you can get connected with BSAA!
